Unless they have armor, some signs and barriers aren't going to stop us. We start welding steel plates to some killdozers and fuck em in the ass! This is war if they try to use force against we the people.

Better than most Michigan roads.

Adolf Whitmer got elected ~~by Dominion~~ by the people on "fix the damn roads" and she failed on it

Like our forefathers and the brave drummer boys who served with them, we need our own updated playlist of MAGA Songs to ride into battle with.

I'll start us off with those GEOTUS/his team has shared so far:

Nico Vega - Beast

The Score - Unstoppable

Miles Guo - Fight for Hong Kong

And a personal favorite battle song that I will be playing as I ride into DC, recommended by General George Washington:

AC/DC - If You Want Blood

It's time to get hype PATRIOTS!

THE BATTLE IS NEAR!

MAGA

Enjoy the tunes and I'll see you soon, Patriot!

Hundreds of billions of dollars sent to foreign countries for gender studies, etc. and look at the state of that interstate highway.
